We appreciate you entrusting your children to our care for summer camp. While they are at camp, we will provide opportunities for children to call home when necessary using the camp land line. However, for the safety of our campers and for encouraging interaction with other campers and God's creation, campers are not allowed to retain cell phones during camp. Please keep their cell phones with you. Any cell phones brought to camp will be kept in the camp office and returned to the campers when they leave. Thank you for your understanding and cooperation in this matter.
